No.F.2(I)/B&AII/60(Vol.III)
Government of India
Ministry of External Affairs

New Delhi, the 5 may, 1961.

The Adviser to the Governor of Assam,
Shillong.

Sub : Allotment of Funds for the year 1961-62 under Demand No.16-
Tribal Areas.

.....

Sir,

I am directed to forward herewith five copies of Demand No.16 Tribal Areas for 1961-62, funds under which have since been voted by the Parliament in full. The amount thus voted is placed at your disposal to cover the expenditure during the year ending 31.3.62.

2. The need for economy in expenditure, as repeatedly stressed in the past, continues. Steps, should, therefore, be taken to regulate the expenditure under the various heads to the inescapable minimum, right from the very beginning.

3. It should be noted that mere budget provision does not constitute sanction to expenditure and all proposals involving expenditure for which the sanction of the Government of India is necessary should be referred to this Ministry for the issue of the necessary sanction, before any expenditure is actually incurred. Sanction of the Government of India should in no case be anticipated or taken for granted. In really urgent cases telegraphic sanction should be obtained.

4. When proposals are submitted for sanction, the financial effect involved should be clearly indicated, mentioning the amount upto which the extra expenditure during the year can be met from any savings anticipated under other heads.

5. If, for any unforeseen reason, an excess is anticipated over the total allotment, the amount of such excess together with detailed reasons therefor should immediately be reported to enable this Ministry to provide the required additional funds by obtaining a supplementary grant, if necessary. Savings of Rs.500/- or more should also be reported as and when they are foreseen.

6. The receipt of this letter may please be acknowledged.

Yours faithfully,

Sd/- (S.Venkataraman),
Under Secretary to the Govt. of India.
